

Surface area and Volume of cylinder

Find the Surface area and Volume of cylinders given below

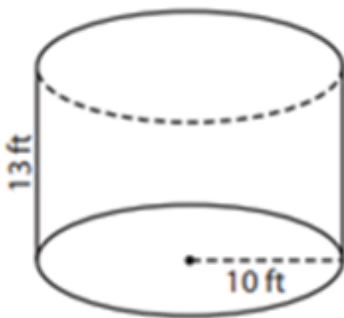

Surface area = _____

Volume = _____

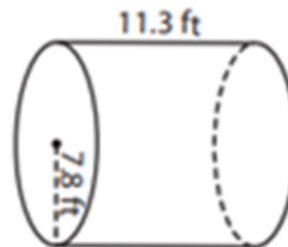

Surface area = _____

Volume = _____

Surface area = _____

Volume = _____

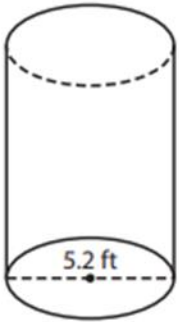

Surface area = _____

Volume = _____

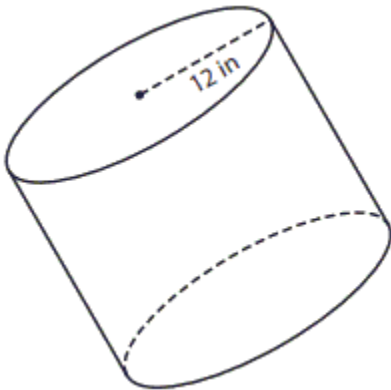

Find the missing value

$$\text{Volume} = 157 \text{ ft}^3$$

height = _____

$$\text{Volume} = 3600 \pi$$

Radius = _____
