TUTOR NAME

TUTORING EXPERIENCE

Started with soft skills training in 2004. From 2008 onwards became an IELTS trainer and slowly got into training students for GRE, TOEFL and SAT.

Totally focusing on SAT students for the past one and a half years. I do only one on one classes and pay individual attention to each student. I use unique teaching tools along with focused vocabulary practice sessions to get the best out of my students.

I drill the students thoroughly by giving them exhaustive drills and enough mock tests to ensure that they are at the top of their form when its time to write the real exam.

I have trained over 500 SAT students who have consistently been able to increase their scores after taking my classes.

*Any quote that inspires you
Lots of them!
A favorite is
Oh Lord grant me the
serenity to accept the
things I cannot change,
the courage to change
the things I can , and
the wisdom to know the
difference.*
