Step 2:

Think about the best locations for:

post office

beach resort

playground

Draw them on the map. Then describe each location and explain your choice of location.

I placed the post office:

This is a good spot because: it is easy put the letter there because there is a train station

I placed the beach resort:

This is a good spot because: if people or you ride on a boat and they cannot see easily to see because of the lighthouse

I placed the playground:

This is a good spot because: the school can have a recess break
