

Tarika's

Demo Session

Assessment

Teacher's Name

Subject: SAT Test Prep (Math)

Lesson: Introductory Demo Session

Feedback

Tarika is a bright student, who is focused on her goal.

We started off the session by taking a look at important SAT tips and strategies.

I assessed her with a small 10-question paper, to get an idea of her strengths and weaknesses.

Overall Comments

She wants to take the SAT this year, and is determined in her approach.
