# Isosceles Triangle Worksheet

Find the Base angles in each of these Iscoceles triangle

The vertex angle of an isosceles triangle is 40°. What is the measure of base angles?

The vertex angle of an isosceles triangle is 76°. What is the measure of the base angle?

Find the Vertex angle in each of these Iscoceles triangle

One base angle of an isosceles triangle is 73°. What is the measure of the vertex angle?

If the base angles of an isosceles triangle is sum up to 110°. What is the measure of the vertex angle?
